

Kia Ora Parents/Caregivers

"Ka whawhai tonu mātou!"

What is the significance of this quote?

This term our team is learning about parts of the Waikato Land Wars for Aotearoa New Zealand History as well as the topic "What makes us Kiwi?" To support our learning we are going to travel to Otorohanga and Te Awamutu. In Te Awamutu we will visit some significant battle sites and learn about its place in history. In Otorohanga we will visit the Kiwi House to learn about some of our native birds and do a scavenger hunt in the town centre.

The planned activities will be supported by iSite Otorohanga, The Kiwi House and the Te Awamutu Museum. However we also require your continued support. If you are able to join us as a parent supervisor please complete the form below. Please refer to the timetable to determine which day your child's class is going. If you are Room 6, Whaea Emma will advise which group your child will be in and which day they will be going.
